## COMPANY PROFILE

**WELLTECH PHARMACEUTICAL PVT. LTD.** is a Delhi based pharmaceutical company, launched with the vision of making world class affordable and best-quality pharmaceutical products. At Welltech, our largest segment in terms of sales, we focus on researching, developing and marketing specialty-focused innovative medicines that provide significant clinical benefit and value, primarily in the therapeutic areas of cardiology, oncology, gynecology, hematology and ophthalmology.

In this way, we are addressing the growing requirements of patients, physicians, health care payers and regulatory agencies.

### MANUFACTURING FACILITY:

We engage in the manufacturing of high-quality pharmaceutical products since 2006. We have our own manufacturing unit, MEDGLOBE THERAPEUTICS LIMITED located at Bhagwanpur, Roorkee (Uttarakhand) equipped with the modern and latest machines, highly qualified staffs. We are committed to deliver the best quality pharmaceuticals products as per the current market need, client's requirements and schedule.

### OUR GROUP:

We are a group of companies having more than 20 years of experience in Health, Ayurvedic and Nutraceuticals products. We engage in the manufacturing, sourcing, marketing, and distribution of high-quality Pharmaceutical, Ayurvedic & Nutraceuticals products.

Our major business units are:

- MEDGLOBE THERAPEUTICS LIMITED
- DAFFODILL HEALTHCARE
- HERCULES NUTRA PVT. LTD.
- NATURE BIOTECH

### SOCIAL COMMITMENT:

At Welltech, we always believe that "A healthier life is everyone's right" and this is our social priority and responsibility to make our contribution for a better life. For this meaningful purpose we have made a charitable trust with the name of "Guruji Arogyam Charitable Trust". Within this trust we organize regular free health checkup camps. We also distribute free medicines during health camps and the natural disasters like flood, earthquake, and cyclone in the affected areas in our country.
